

Thinking of moving your pension or starting a new one?

Find out what FSCS protection is available by asking your provider these questions:

1. Does FSCS protect your pension?
2. How much of my pension pot is protected?
3. Is my defined benefits pension protected by FSCS?
4. Am I still protected if I buy an annuity?
5. What if I buy other products with my pension pot?
6. What would happen to my pension if something happened to your business?
7. If I transfer money across from an existing pension, will that also be protected?
